Some such an experience must have led to our custom of taking apple sauce with roast pork, rich goose and like dishes. The malic acid of ripe apples, either raw or cooked, will neutralize any excess of chalky matter engendered by eating too much meat. It is also the fact that such fresh fruits as the apple, the pear and the plum, when taken ripe and without sugar, diminish acidity in the stomach rather than provoke it. Their vegetable sauces and juices are converted into alkaline carbonates, which tend to counteract acidity. which tend to counteract acidity.

We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not heeitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Peck Bros., Druggists.

Mothers and Daughters.

Over twelve years I was afflicted with a very serious female difficulty and for the last sixteen months was under treatment of three of the very best physicians that money could employ. Under their skillful treatment I gradually grew worse, until they decided they could render me no permanent help. One of my friends persuaded me to try a bottle of Dullam's Great German Uterine Tonic, and after taking me to try a bottle of Dullam's Great

three bottles, I can say I am in better
health than I have been for twenty

feel as young as at 30.
